

BECOME A FRIEND OF YOUR LIBRARY TODAY

The Friends of the Pamlico County Public Library (FOL) was founded over 30 years ago to support library programs and encourage literacy for county residents. To this end, the FOL uses membership dollars to:

- partially fund and support the Book/Techmobile that reaches remote areas of the county
- support the Summer Reading Programs for children and teens
- provide additional funding for the Library Annex being established at Heartworks for families unable to access library resources
- provide a \$1,000 scholarship for higher education to a high school student
- provide additional library books and materials not covered by the library's budget
- provide materials for the children's and high school students' Trunk or Treat event
- pay for insurance/maintenance/utilities at the new library site.

In the past, the FOL also paid for the handicapped accessible doors, as well as the transportation and set-up costs of the Conex (book storage unit). **Your support is more critical than ever as we approach the next chapter of our new library and community space development.**
